

## Hespeler Skating Club 50<sup>th</sup> Anniversary Ice Show!

It's that time of year again and it's a special one! Our club is celebrating 50 years of providing quality skating programs to skaters of all ages! HSC will be celebrating this milestone with our annual ice show on **Sunday March 31<sup>st</sup> 2019**. There will be two performances, **1pm and 6pm**. This year, the theme will be "Reflections". Along with our talented skaters from this season, we will be welcoming back HSC Alumni who will be performing! HSC will also be hosting an open house on Saturday March 30, 2019 from 2-4 in the Optimist Room here at the rink. It will be a great time to reminisce with skaters past and present as well as check out memorabilia.

Attached are details as to which show your child will be in. If you know at this time that your skater will not be participating, please let a coach know or email us at [info@hespelerskatingclub.com](mailto:info@hespelerskatingclub.com). Canskate practices will begin in February and will only be a 10 minute block during the session. Regular group work does continue. Those not participating will be continuing their lessons during that 10 minute block. Learning and teaching the number is very difficult if the whole group is not present. Please try and limit any absences.

A show of this size cannot be run without volunteers. Jobs include, security, spot light operators, set up and take down, and most importantly Canskate groups require an adult to sit with them. Sign up lists will be posted shortly so please consider filling one of these jobs.

Also attached are costume ideas and a picture day schedule. As an added bonus this year, all those who are in their ice show picture will receive a complimentary 5X7 of the group. There will be an option as well to purchase individual portraits at a reasonable cost. Picture Day is Sunday February 24, 2019 in the Gallery between rinks. Costumes do not have to be elaborate. Feel free to chat with other members of your group and come up with other ideas.

Information regarding dress rehearsal and actual show day will be handed out the beginning of March. Always check the glass at rinkside for information. Please do not hesitate to ask questions. Our coaching staff and board members are always happy to help or direct you to the person who can.

Thank you
